Ms. Gretchen Ganas, 444 Quail Meadow Court, asked for clarification on the Council's approval of the \$41,828 expenditure for the preparation of construction drawings for gateway signage by Starmer Rinaldi Architects at the Council Meeting held June 7, 2005.

Ms. Courson explained that the amount was actually \$12,500 for preparing the prints; that one of the numbers for a construction estimate had inadvertently been placed on the agenda memo; and any construction costs would be brought back to Council for approval.

IV. Award of Bid - Citywide Street Resurfacing and Bill Keller Park Surfacing

Lynn Gibson, of GAI Consultants, explained the extent of the project and the bid process to the Council. He itemized the bids received and recommended that the bid be awarded to Halifax Paving, Inc. for \$450,185. He added that there would have to be drainage pipe of approximately 400 to 500 feet in length put in on Adelaide Street prior to the commencement of resurfacing; that the additional work could be completed for under \$25,000; and that \$25,000 should be added for a total contract award of \$475,185 to Halifax Paving, Inc. Vice-Mayor Gunter asked Mr. Gibson about the timing of the work. Mr. Gibson answered that Bill Keller Park would be the first project handled, and it would be completed by October 1st. He said that after the Park is completed, the contractor would resurface twenty-one streets. Vice Mayor Gunter entertained a motion to award the bid to Halifax Paving, Inc. for the amount of \$475,185. Motion made by Council Member Fulton and seconded by Council Member Tillis.
