MINUTES

Present:

Board members: Ken Webster, Jerry Lombardi
Staff: Anita Gonzalez.

The workshop was started at 10:00 a.m.

Two Board members and a staff member met in a workshop setting to further examine the room in Town Hall in which the City's historic items have been stored and to continue sorting them.

Those present sorted through boxes of materials and cleaned the room. The supplies for the Board were sorted and placed in the closet that was cleaned and reorganized. The members set file cabinets in place in the room. They also attempted to make the fax machine functional with help from Elaine Swanson, but needed the manuals from Jesse.

Numerous scrapbooks were assembled on the table for sorting by Jesse Beall in a future workshop.

The workshop was adjourned at 12:00 p.m.

These minutes approved by the Historic Preservation Advisory Board on September 13th, 2004.
